## SCHOOL-WIDE NEWS

### MAY DAY HOLIDAY

Next Monday, May 2 is a holiday and a no-school day. Have a great time with your family!

### HSK TESTING CENTER

We are delighted to announce that YHIS has received authorization to serve as an official HSK testing center, beginning with the May 14th test date! Given that it is the time of year when seniors are applying to universities, we gave priority to seniors. Juniors were also given a chance to register as there were available seats after the registration deadline for the seniors. The school will only be administering HSK 4, 5, and 6 on May 14. With the campus closure, the school has submitted an application to the Education Bureau seeking permission to administer HSK tests on campus. We will keep registered students informed of updates as we hear from the bureau.

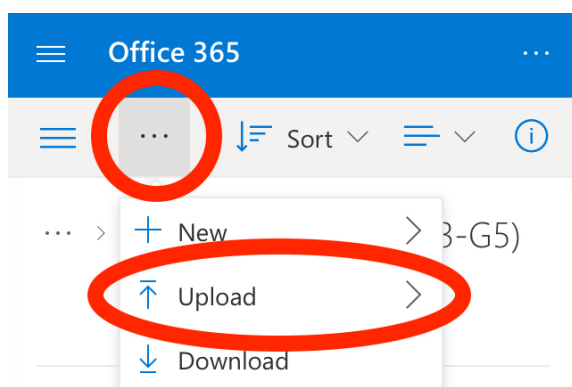

HSK Level	Capacity	Date and Time
4 and 6 (combined)	15	HSK 4: May 14, 9:00-10:45 am HSK 6: May 14, 9:00-11:20 am
5	15	May 14, 1:30-3:35 pm

At present, the testing capacity is 15 students per session, but the school is planning to increase the capacity to ensure that more students will be able to test in the future. Students can register and make their payment through the official HSK website. The HSK tests will be administered on school computers.

More information about testing dates and what levels YHIS will offer for the remaining 2022 year will be shared in the coming weeks.

### HBL IN REAL LIFE

The school is seeking a photo or video of your child participating in Home-Based Learning (HBL) – it could be working at a computer, participating in PE, playing an instrument, or reading a book – wherever and whatever they are learning. Please click [HERE](#) to upload your photo or video and refer to a picture below to see how to upload.

## ATTENDANCE POLICY

Parents should send an email to [attendance@yhischina.com](mailto:attendance@yhischina.com) by 8:00 *am* on the day their child will be unable to attend school. The specific reason for the absence should also be given at this time. If a student is absent for a full day, the parents should take the child's temperature in the morning, mid-day, and the afternoon and inform the school of the temperatures by sending an email to [attendance@yhischina.com](mailto:attendance@yhischina.com). If a student is absent for two school days in a row, the student is required to take a COVID-19 test and submit a negative test result before returning to school.

If students have a temperature of 37.3°C or higher,

- Please keep your child at home and consult a doctor and inform the school through [attendance@yhischina.com](mailto:attendance@yhischina.com) stating your child's temperature, symptom(s), and treatment plan
- The current return-to-campus requirement for individuals who have a fever is that all household members are required to submit three negative COVID-19 tests (24-hour intervals) after they have recovered before returning to campus.

## COVID-19 VACCINATION FOR STUDENTS

We would like to update you on how to get your child vaccinated against COVID-19. The current procedure for the first and second shots is that parents and students can go to the vaccination center anytime from 8:00 *am* to 5:00 *pm* (weekends included) on their own. The location is 网球馆 (Wang Qiu Guan) on Liuzihe Road (柳子河路) – search for '烟台开发区柳子河网球馆' (Tel: 153-1869-0178). There is no need to make an appointment beforehand. Please note that there will not be school staff to assist, but government officials will be available to provide guidance and assistance.

The government provides a third dose of COVID-19 vaccination to students aged 18 or older. Parents should submit a request for a third dose to [tracy.li@yhischina.com](mailto:tracy.li@yhischina.com). The school will work with the government to make an arrangement for their child and follow up with the parents.

Parents must accompany their child and bring along their passport to the vaccination center. Parents should also inform the school each time their child receives a vaccine by sending an email to [tracy.li@yhischina.com](mailto:tracy.li@yhischina.com) with the following information: **name, grade, date, place, vaccine manufacturer, and whether it is their first, second, or third dose** as the school is required to report back to the Education Bureau.

## INTERNATIONAL DAY

International Day that was originally scheduled for Friday, April 22 has been rescheduled for Saturday, May 28. More information will be shared in the following weeks.

## TRAVEL OUTSIDE OF YANTAI

If your child or household member needs to travel outside of Yantai, please inform the school through [operations@yhischina.com](mailto:operations@yhischina.com). This information will help the school follow up with families later on if needed.

## SECONDARY NEWS

### 2022 HUMAN ASIA ENGLISH ESSAY CONTEST

Human Asia, a Seoul-based NGO associated with the Korea University International Human Right Center, invites YHIS students to its English essay contest on the theme of “**Climate Crisis and Human Rights**”.
