High school students are eligible for independent studies if they have completed all the coursework offered by the school in that subject area. Independent studies must be approved by the Administration. Independent study courses must include a minimum of 50 hours of documented work per quarter.

There is a minimum academic requirement of 8 credits per year for G9 and 10 students, and a minimum of 6 credits per year for G11 and 12 students. In total, students need to acquire at least 24 credits for graduation.
